

ELECTRONIC INFORMATION DISCLOSURE STATEMENT

Electronic Version v18

Stylesheet Version v18.0

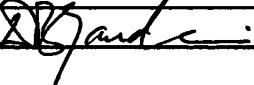

Title of Invention	METHOD AND SYSTEM FOR MANAGEMENT OF ACCESS INFORMATION																																																																																														
Application Number :	10/084880																																																																																														
Confirmation Number:	7239																																																																																														
First Named Applicant:	Nina LEWIS																																																																																														
Attorney Docket Number:	255/221																																																																																														
Art Unit:	2133																																																																																														
Examiner:	Dipakkumar B. Gandhi																																																																																														
Search string:	(5708812 or 5768519 or 6119230 or 6192130 or 6253216 or 6321259 or 6339423 or 6377950 or 6385724 or 6768988 or 20020007346 or 20020069223 or 20020078004 or 20030195888).pn																																																																																														
<p><u>Certification:</u> This Information Disclosure Statement was submitted under the following conditions, which satisfies the requirement under 37 CFR 1.97(e). The filer certified:</p> <p>That no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of the information disclosure statement.</p>
